

## AlgoLaser Laser Engraver

**Product Model:** Delta

**Model Number:** ALM-20BD

**Optical Power:** 20000mW

**Laser Type:** LED Diode

**Operating Voltage:** 24V

**Current:** 6A (9A MAX)

**Laser Wavelength:** 450nm (Blue Light)

**Control Board:** GRBL

**Connectivity:**

1. USB
2. WiFi (via internal network)

**Frame Material:** Aluminum

**Working Area:**

**Supported Software:** GRBL-compatible software (e.g., LaserGRBL, LightBurn)

**Power Supply:** 24V 6A Power Adapter

**Operating Temperature:** 5°C - 40°C

**Storage Temperature:** -10°C - 70°C

**Weight:** ~2.5 kg

**Dimensions:** 400mm x 300mm x 100mm ??

**Safety Features:**

1. Laser protection glasses recommended
2. Emergency stop button

**Additional Features:**

1. Adjustable focus
2. Supports engraving and cutting
3. WiFi remote control via app or PC
